OVERVIEW

The Sasga Menorquin 68 Flybridge effortlessly combines classic style with modern comfort. Measuring 21 meters in length and 6 meters in width, it offers spacious interiors and exteriors, perfect for both relaxation and cruising. Its unique hull design ensures stability on both short and long journeys. Accommodating up to six guests, the yacht features a full-beam master suite, a VIP cabin, a twin cabin, and crew quarters. All cabins are thoughtfully designed for comfort and relaxation, creating a welcoming space for family and friends.

Notable highlights include a spacious flybridge with a comfortable lounging area for enjoying the scenery and sunpads on the bow, offering the perfect spot for sunbathing and taking in breathtaking views. Onboard, a selection of water toys adds even more excitement to your time on the water. Experience firsthand what makes CLOUD 9 the ultimate luxury yacht for an unforgettable cruise. Available for charter in Croatia, CLOUD 9 is based in Dubrovnik as its homeport.
